Philadelphia, PA 19102-1679

June 8, 2023

Dear City Controller Edacheril:

In response to your recent request, we have provided the information relevant to your inquiry with a thorough explanation for each firearm included on your original list. Except for the guns that were burned, all firearms were ran through a gun and record of sale queue. Out of a total of 101 firearms, 58 were found, 20 are still considered "missing", 18 have presumptively been traded or burned, and 2 were never located at the Philadelphia Sheriff's Office. Further, there was 1 firearm that did not have sufficient information to do a complete investigation.

The firearms of inquiry were either sold or traded to the Philadelphia Sheriff's Office as far back as the 1970's. Though some of the guns, missing or found, are still registered to the Philadelphia Sheriff's Office, due to insufficient record keeping they were not accounted for at the inception of the Bilal administration. In fact, some of the guns were assigned to deputies, over 20 years ago, who we found never returned their duty weapon to the Office. Despite past record keeping practices, the Bilal administration conducted a thorough investigation on every firearm in question, properly labeled/tagged all firearms that are stored in the armory and will continue to update records accordingly.

Please note that the missing guns from the Sheriff's Office have no connection with the allegations of former deputy Samir Ahmed's case. Mr. Ahmed allegedly sold a Smith and Wesson Special Revolver, [REDACTED] a Glock, Model 17, [REDACTED] and a Glock, Model 22, [REDACTED], none of which have been missing from or have affiliation with the Philadelphia Sheriff's Office.

Attached you will find detailed lists that reflect a description of the above-mentioned firearms, a Justification Memorandum (dated January 25, 2022) that we believe you did not receive, Burn List #6, Trade List #4, a memorandum between the Philadelphia Sheriff's Office and PPD in reference to Act 79, before and after photos of the armory, and an NCIC report from all 101 guns that were ran.

The below listed weapons were found on a trade or burn list however in NCIC, they are still registered to the Philadelphia Sheriff's Office with as of 10/13/1982. For weapons that were burned, the list did not provide a date of disposal, method of disposal or the name or address of the business, person or facility that disposed of the weapons. However, since the weapons were listed on a burn or trade list, we presume that the guns were either burned or traded and conclude that these guns are considered found.

SERVICE FIREARMS PRESUMPTIVE LIST (TOTAL: 20)

We conclude that the below listed firearms are presumptively burned or traded. Each gun was registered to the Philadelphia Sheriff's Office on 10/13/1982. After conducting our investigation, we found that these guns have the same date as other guns that were found on a burn or trade list. Typically guns with the same registration date are destroyed or traded in bulk, at the same time. Given the circumstantial evidence, we presume that the guns are not missing and were likely burned or traded. The lack of direct evidence regarding the current disposition of these weapons is likely due to bad record keeping rather than the weapons being missing. We do not recommend entering these guns into NCIC as missing or stolen because they were likely legally traded or destroyed.

The below listed weapons are considered retiree weapons. They are still registered to the Philadelphia Sheriff's Office, as of 10/13/1982. Given the date, we draw the same conclusion for these weapons as stated above.

SERVICE FIREARMS PRESUMPTIVE LIST (TOTAL: 20)

The below listed weapons are considered retiree and neither are registered to the Philadelphia Sheriff's Office in NCIC. Assignment cards were found; however, the deputies' signatures were not reflected on said cards. Records show that past practice was for a deputy to sign when he/she took possession of the firearm. We conclude that the absence of the deputies' signatures on the cards and the lack of registration, in NCIC, to the Office for the below firearms means, (1) the deputy never possessed the firearm and (2) the firearm was never located at the Philadelphia Sheriff's Office.

Controller missing list #	Serial #	Asset Tag #	Current Disposition

The below listed weapons are considered retiree but are not registered to the Philadelphia Sheriff's Office.
We do not have property receipts to show that these guns were ever returned to the Office.

**Please note that there are three (3) firearms where we found that the retiree is deceased, and two (2) where the retiree was incarcerated. Originally our office did not include the five (5) firearms of deceased/incarcerated retirees as "not found." Subject: Responses to Sheriff's Office Gun Inventory and Current Operating Status Memorandum dated November 17th, 2021

This memo is in response to your inquiry and the following replies, have been prepared, in parallel to those said inquiries:

1. Our office has contacted the City Inventory Manager regarding tags for the firearms, regardless if they meet the \$750.00 threshold for tagging purposes. Our office is required to use **our own methods** for doing so as the City's procurement department **does not tag firearms.**
2. The detailed inventory, of our service firearms, is currently being addressed. Acquisition of two software automated systems, the B.E.A.S.T and Quartermaster, both on contract with the City of Philadelphia and the Philadelphia Police Department, (PPD), are awaiting both procurement and budget approvals. The use of these systems requires on-going maintenance and upgrades, which have not been funded in our current budget requests. These systems will address records management, for all service firearms, used by our uniformed staff.
3. Please reference reply in #2—Abandoned weapon recording and, maintenance of a detailed inventory, will be resolved upon the acquisition of the B.E.A.S.T system, which will document weapons acquired via protection from abuse, (PFA), and court-related actions.

4. I have ordered my armory staff to forward a copy of all returned firearms and property receipts to the City Controller's office, in compliance with Section 8-411, of the Philadelphia Home Rule Charter, effective January 1st, 2022. Please stand-by for the submission of these documents by certified mail and email transmission.
5. The Sheriff's Office and armory staff conducted research, on the older PFA's and the location of any missing PFA weapons based upon court dockets and other information provided in the logbooks. This research was performed using the serial numbers on the property receipts. The staff that, completed the inventory, and the City Controllers' representative that carried out the audit, agreed that the property receipt records logbook was unreliable, prior to this administration. There are signed property receipts showing defendant picked up their firearms however, in the logbook, there are no entries reflecting this type of transaction. All PFA weapons, that are abandoned or resolved, that meet the destruction criteria are being scheduled for the upcoming destruction session. The next scheduled date, has not been published by PPD. Our most recent destruction session occurred, on May 27th, 2021, and is in alignment with the PFA Act and established City protocols for City property.
6. The recommendation regarding a memorandum of understanding, (MOU), with the PPD, to formulate the delegation of responsibility, for the custody of PFA weapons, has been generated and will be finalized once PPD and the Undersheriff, of this office, have reviewed and validated all pertinent content. A copy, of the MOU, will be sent to your office once these actions have been completed.
7. My office has only conducted one gun-buy back event, however, the objective of this office to partner, with PPD and other agencies, to provide gunlocks for existing authorized weapons during those events, that we participate in. There are a variety of agencies, performing gun-buy back events, and my office will rigorously support those events, as time and opportunity permit.

I, the undersigned, have submitted all the facts, as known, at the time of this memorandum.

Respectfully,

Rochelle Bilal, Sheriff

City and County of Philadelphia

The attached paperwork was found in a folder labeled WEAPONS BURN LIST and had multiple NCIC weapons registrations/ownership verifications attached. If there is a checkmark next to the Serial# that means there was a NCIC check attached. There also was multiple NCIC printouts that had tag#s written on them but are not on the list. These tag#s and serial #s are listed below. No additional paperwork stating date, location or time was attached. The only indicator of the date was that the NCIC Verifications were ran between 07/16/06 and 07/19/06.

**MEMORANDUM OF UNDERSTANDING BETWEEN
THE PHILADELPHIA POLICE DEPARTMENT AND THE PHILADELPHIA SHERIFF'S OFFICE
REGARDING RESPECTIVE DUTIES AND RESPONSIBILITIES TO COMPLY WITH PENNSYLVANIA ACT 79.**

A. PARTIES

This agreement is entered into between the Philadelphia Police Department, hereinafter referred to as "PPD," and the Philadelphia Sheriff's Office, hereinafter referred to as "Sheriff."

B. PURPOSE

Pennsylvania Act 79, relating to Protection from Abuse Orders, Firearm Relinquishments, additional criminal investigative responsibilities of law enforcement and the implementation of the Protection from Abuse Database system (PFAD), creates additional duties and responsibilities for law enforcement across the Commonwealth. However, unlike other counties in the Commonwealth, in Philadelphia, these duties are distributed between the Philadelphia Police Department and the Philadelphia Sheriff's Office. Therefore, to best serve the victims of domestic violence in Philadelphia, it is imperative that the parties agree and have clear understanding of each agency's duties, responsibilities created by the Act 79 and avoid the duplication of efforts.

C. BACKGROUND

The Philadelphia Sheriff's Office shall be the primary entity responsible for serving Protection from Abuse Orders issued by the Court. The Philadelphia Police Department shall be the secondary entity responsible to serve Protection from Abuse Orders, when requested by Complainants.

D. PROCEDURE

1. Philadelphia Sheriff's Office Duties and Responsibilities

A. Protection from Abuse Orders (PFA)

1. On a daily basis, obtain all PFA Orders issued by the Philadelphia Courts that need to be served and compare with the list of all Protection from Abuse Orders entered into the Statewide Protection from Abuse Databases system (PFAD).
 - a. The Order will provide the following address of the Sheriff's Office/PPD where firearms, ammunition and/or firearms licenses can be relinquished or documentation that relinquishment was made to a third party by law can be delivered:

Philadelphia Sheriff's Office:

100 South Broad Street 5th floor Mon-Fri 7am-3pm.

Weapons can also be surrendered at the follow PPD Divisional Detective Unit between 3pm and 7am, Mon-Fri, Saturdays, Sundays and holidays 24/7.

PPD Detective Division locations are as follows:

- Central Division - 400 N. Broad Street (6th District)
- East Division – 3901 Whittaker Avenue (25th District)
- Northwest Division-5960 N. Broad Street (35th District)
- Northeast Division – 9359 Krewstown Road
- Southwest Division – 5510 Pine Street (18th District)
- South Division – 2301 S. 24th Street (1st District)

NOTE: Any firearms licenses received by the Sheriff's Office will be forwarded to the PPD Gun Permits Unit for revocation proceedings, if not already initiated.

2. Immediately address, with the Court, any discrepancies to ensure all Orders required to be served have been received from the Court.
3. Update the PFAD system for each PFA order served by the PPD.

NOTE:

PPD will notify the Sheriff of all PFA Orders served by PPD Officers to avoid duplicating service. The Sheriff's Office has created a dedicated email to receive this information from the PPD and PPD policy has been amended requiring every district to make notification via this email address.

4. Prior to attempting any service, conduct a preliminary investigation, including, but not limited to determining whether the order can be actually served. *(Does the order contain a legitimate address, name or other identifying information to effectively serve the defendant?)* If insufficient information is provided to serve the order, Sheriff's office will notify the Court via the dedicated email address that has been established and will add this information into the PFAD system.
5. Make a good faith effort to determine whether the defendant is listed as the owner of any firearms, possesses any ammunition and/or firearms license.
6. Determine whether the defendant is in custody.
7. Update the PFAD system for any PFA service, whether any firearms were relinquished and recovered by the Sheriff, or any affidavits of non-firearm ownership.
8. If Probable Cause exists to believe the defendant has refused

to relinquish any firearm and/or ammunition, forward the information to the PPD Gun Permits Unit who will coordinate and monitor a criminal investigation by the appropriate Division Detective Unit.

B. Failure to Relinquish Firearms, Ammunition and/or Firearms License

Despite any denial of ownership or possession of firearms/ammunition by a defendant, if any complainant alleges that the defendant possesses firearms/ammunition, or if any other Probable Cause exists that the defendant is criminally refusing to relinquish a firearm, ammunition or a firearms license the information will be forwarded to the PPD Gun Permits Unit to coordinate a criminal investigation.

C. Domestic Violence Convictions

If the Sheriff's Department becomes aware of any information pertaining to a defendant convicted of a felony or misdemeanor crime of domestic violence who has failed to relinquish any firearms, ammunition and/or firearms license, notify the Gun Permits Unit to coordinate the appropriate criminal investigation.

2. Philadelphia Police Department Duties and Responsibilities:

A. Protection from Abuse Orders (PFA)

1. Police Districts

District Police officers shall assist any victim/complainant in serving Protection from Abuse Petitions and/or Orders. The safety of the complainant will always be taken into consideration when serving a PFA Order.

- a. The service of all PFA Orders shall be governed by PPD Directive 3.9.
- b. When service of any PFA is made or firearms, ammunition or firearms license is recovered, District Operation Room Supervisors will ensure the incident report contains all relevant information, PFA numbers and docket numbers and will scan the report and any Property Receipts (75-3) to the Sheriff's Office at Sheriff.enforcement@phila.gov. A copy will also be sent to the Gun Permits Unit at Police.firearms.relinquishment@phila.gov.

2. Divisional Detectives

The recovery of any relinquished firearms, ammunition and/or Licenses to carry a firearm shall be processed by the Divisional Detectives. The assigned Detective will conduct a preliminary investigation to

determine the status of any firearm, complete the Property Receipt

marked "For Safekeeping" and will indicate in large letters "GUN RELINQUISHMENT – NO TESTING. All firearms will be forwarded to the Firearms Identification Unit, who will coordinate with the Sheriff's Office for the transfer of the Firearms to the Sheriff's Office.

NOTE:

Any illegal firearms seized (*i.e. stolen, obliterated serial numbers, etc.*) will be identified as evidence and processed through the PPD Firearms Identification Unit and the appropriate criminal investigation initiated.

3. Gun Permits Unit

The Gun Permit Unit shall serve as the unit within the PPD to manage and track all Protection from Abuse Orders served by PPD Officers, Firearm Relinquishments by PPD Officers, any necessary criminal investigations required and the necessary communication between the courts and the Sheriff's Office.

B. Failure to Relinquish Firearms, Ammunition and/or Firearms License

1. Gun Permits Unit

a. Probable Cause of Criminal Violation

Upon receiving information from the Sheriff's Department or independently developing information that a PFA defendant has intentionally failed to relinquish any firearms, ammunition and/or firearms license, Gun Permits shall:

- i. Coordinate with the Divisional Detective Unit of the defendant's residence to initiate a criminal investigation and monitor the status of the investigation for violation of the Uniform Firearms Act §6105 (a.1)(2) for failing to relinquish firearms within 24-hour of service.
- ii. Notify the Sheriff's Office that a criminal investigation has been initiated and follow up, when appropriate with the status of the investigations.

b. Open Relinquishment Order in PFAD

When a Firearm Relinquishment Order is issued and remains open in the PFAD system (*i.e. not otherwise closed out based upon an affidavit of non-ownership, inability to produce or the actual relinquishment of the firearms by the defendant*), Gun permits shall:

- i. Coordinate with the Divisional Detective Unit of the defendant's

residence to initiate a criminal investigation for violation of the Uniform Firearms Act §6105 (a.1)(2) for failing to relinquish firearms within 24-hour of service.

- ii. Notify the Sheriff's Office that a criminal investigation has been initiated and follow up, when appropriate with the status of the investigations.

C. Domestic Violence Convictions

1. The Defense Bar in Philadelphia has indicated that they may not permit their clients to admit or deny ownership of any firearms, ammunition and/or firearms licenses, whether legal or illegal, based upon their 5th Amendment rights. As such, the Court will most likely not receive a list of firearms owed or possessed by the defendant or any affidavits of non-ownership from these defendants. Therefore, the Court is required by law to issue a Firearms Relinquishment Order (*See, Appendix A for a sample order*), even though the defendant may not own or possess any firearms. These Orders provide written notice to each defendant explaining their responsibility to relinquish any firearm, ammunition or firearms licenses within 24 hours to the Philadelphia Sheriff/Police or to surrender the same to a third party authorized by law or risk additional criminal sanctions.

a. Court - Firearm Relinquishment Orders

1. The Court will issue an order for Firearm Relinquishments Order in domestic violence-related convictions and will insert all available information pertaining to the defendant, including the date and time by which the defendant must make any relinquishment.
2. This Order will inform the defendant that they can no longer legally possess any firearms, ammunitions and/or firearms licenses and that the defendant must relinquish such within 24 hours to the Philadelphia Sheriff, Police or a third party authorized by law.
3. This Order will also provide the following address of the Sheriff's Office/PPD where firearms, ammunition and/or firearms licenses can be relinquished or documentation that relinquishment was made to a third party by law can be delivered:

Philadelphia Sheriff's Office:

- 100 South Broad Street 5th floor Mon-Fri 7am-3pm.

Weapons can also be surrendered at the follow PPD Divisional Detective Unit between 3pm and 7am, Mon-Fri, Saturdays, Sundays and holidays 24/7.

PPD Detective Division locations are as follows:

- Central Division - 400 N. Broad Street (6th District)
- East Division – 3901 Whittaker Avenue (25th District)
- Northwest Division-5960 N. Broad Street (35th District)
- Northeast Division – 9359 Krewstown Road
- Southwest Division – 5510 Pine Street (18th District)
- South Division – 2301 S. 24th Street (1st District)

NOTE: Any firearms licenses received by the Sheriff's Office will be forwarded to the PPD Gun Permits Unit for revocation proceedings, if not already initiated.

4. The court will scan a copy of all Firearm Relinquishment Orders to both the PPD and the Sheriff's Office at Sheriff.enforcement@phila.gov AND Police.firearms.relinquishment@phila.gov

b. PPD Responsibility

1. Gun Permits Unit

- a. Upon receipt of the Firearms Relinquishment Order, the PPD Gun Permits Unit will make a good faith effort to determine whether the defendant is listed as the owner of any firearms, possesses any ammunition and/or firearms license.
- b. If it appears that the defendant does not own any firearms, ammunition and/or firearms licenses, PPD Gun Permits Unit will notify the Court at OJRRelinquishment@courts.phila.gov , the District Attorney at DA_GVTF_ACT79@phila.gov and the victim by phone or US mail.

NOTE:

If the victim indicates that the defendant does, in fact, possess firearms and/or ammunition, the PPD Gun Permits Unit will initiate a criminal investigation via the appropriate Detective Division and will notify the Court at

OJRRelinquishment@courts.phila.gov and the District Attorney's Office at DA GVTF ACT79@phila.gov .

- c. If PPD discovers that the defendant owns or possesses any firearms ammunition and/or firearm licenses, PPD Gun Permits Unit will coordinate with the Sheriff's Office to determine whether the defendant has relinquished the firearms, ammunition or firearms licenses within the 24 hours of being ordered to do so or provided other documentation confirming the firearms, ammunition and or firearms licenses were surrendered to a third party as authorized by law.
- d. If the defendant failed to relinquish as required, the PPD Gun Permits Unit will notify the Court at OJRRelinquishment@courts.phila.gov , the District Attorney at and the victim by phone or US mail. PPD Gun Permits Unit will initiate a criminal investigation via the appropriate Detective Division.
- e. If the Gun Permit Unit independently becomes aware or is notified by the Sheriff's Department pertaining to a defendant convicted of a felony or misdemeanor crime of domestic violence who has failed to relinquish any firearms, ammunition and/or firearms license, Gun Permits Unit will coordinate with the Divisional Detective Unit of the defendant's residence to initiate the appropriate criminal investigation and notify the Court at OJRRelinquishment@courts.phila.gov, the District Attorney at DA GVTF ACT79@phila.gov and the victim by phone or US mail.
- f. If any firearms, ammunition and/or firearm licenses are relinquished, the Gun Permits Unit will ensure a copy of both the Relinquishment Order and the Property Receipt (75-3) is forwarded to the Court at OJRRelinquishment@courts.phila.gov and the District Attorney at DA GVTF ACT79@phila.gov so that the detailed information regarding the relinquished property can be property docketed by the Court.

NOTE:

The Property Receipt (75-3) contains all information required by Act 79 for the information to be properly docketed by the Court.

2. Divisional Detective Responsibilities

A. Divisional Detectives Receiving Relinquished Firearms, Ammunition and/or Firearms Licenses - The Assigned Divisional Detective receiving any relinquished firearms or ammunition will:

i. Conduct a preliminary investigation into the status

of each firearm. Any illegal, lost or stolen firearms will be fully investigated and marked on the Property Receipt (75-3), "For Investigation" and will be processed by the Firearms Identification Unit.

ii. Mark all lawful firearms, "For Safekeeping," on the Property Receipt (75-3). Also, in large letters in the body of the Property Receipt (75-3) the Assigned Detective will insert, "DOMESTIC GUN RELINQUISHMENT – NO TESTING REQUIRED."

iii. Forward all domestic gun relinquished to the Firearms Identification Unit, who will make arrangements to have domestic relinquishments transferred to the Sheriff's Office as soon as possible.

iv. Ensure a copy of the Property Receipt (75-3) is scanned to both the Sheriff's Office at Sheriff.enforcement@phila.gov AND PPD at Police.firearms.relinquishment@phila.gov

B. Divisional Detectives Requested to Initiate Criminal investigations of Act 79/VUFA violations by GPU – The Assigned Divisional Detective will:

i. Initiate a criminal investigation into the Act 79/VUFA violation as soon as possible.

ii. Update the GPU with the status of the investigation and whether any Affidavits of Probable Cause for Arrest Warrants have been submitted to the DAO, the status of the Affidavits, whether Arrest Warrants have been issued, and whether any arrests have been made.

NOTE:

It is important that this information is communicated back to the GPU because this information must be relayed back to the Court and the GPU has been designated as the centralize conduit between the PPD, the Courts and Sheriff's Office.

3. The Firearms Identification Unit will:

- a. Receive all domestic relinquished firearms and ammunition.
- b. Not test any firearms received that are identified as *"DOMESTIC GUN RELINQUISHMENT – NO TESTING REQUIRED."*
- c. Coordinate to transfer of any relinquished firearms and ammunition to the Sheriff's Office as soon as possible.
